

EMPLOYER RE-ASSESSMENT APPLICATION

Employers: Please use this application form to book re-assessment appointments for your employee(s).

Operators: Please use the Operator Re-Assessment Application form to be re-assessed for your CraneSafe Certificate.

IMPORTANT NOTICE:

1. If an operator holds a provincial or federal crane certification, the CraneSafe Certification may be optional. Please contact our office to clarify.
2. A separate assessment must be booked for each operator for each class of crane being assessed. See www.fulford.ca for more details on crane classification.
3. Cranes used to assess operators must have up-to-date certification and the Load Chart and Log Book must be available or the assessment will not take place.
4. Space must be available to write the Load Chart & Rigging assessment. The person being assessed must have privacy.
5. Outrigger pads must be available for crane set up. The floats provided with the cranes are not sufficient.
6. Adequate yard space must be available for crane set up and to perform the operating components of the assessment.
7. No power lines may be in the operating area.
8. Outside of BC, this certificate is renewable every five years.
9. The assessor will take a photograph of each operator at the time of re-assessment. The photo will be used for the crane operator's photo id certification card. *No hats or sunglasses.*
10. Please inform your crane operator(s) well ahead of time that they are going to be re-assessed and provide them with the assessment orientation and load chart practice questions available at www.fulford.ca/cs_pex.html.

PRIVACY NOTE:

We have a strict privacy policy. We will not share personal information or the photo with any party except the following:

- WorkSafeBC and its designates
- The assessed operator

For **Part 3** Re-Assessments only:

Is a safety orientation required for our Assessor to be on your site? YES NO

If yes, please provide information about those requirements prior to the assessment date.

Type of Crane to be Used for Re-Assessment

- Indicate the class of crane each operator is applying to be assessed on – choose only **one**. Upon successful completion of the assessment, this is the Certificate the operator will receive.
- Please provide complete crane information for each operator as the load chart portion of the assessment will be matched as closely as possible to the crane each operator operates.
- All weights metric.
- Non-incumbent operators (registered with BCACS after 1 July 2007) are required to write a Challenge theory test through the ITA in addition to the CraneSafe Assessment to be certified.
- Existing categories will be used until new categories are approved. (Date pending industry approval.)

Mobile Crane	Qualified to Operate	Notes Including web links to ITA Challenge Forms
